Website	<a href="http://www.dogswell.com">www.dogswell.com</a>

***What it does:***

Makes natural pet foods and treats which are then sold through premium grocery and independent pet stores.

***Why it's growing:***

As the first company to fortify meat treats with supplements, they distribute 100,000 samples a month to test quality.

***What's noteworthy:***

The Dogswell facility is designed to prevent cross-contamination and ensures raw meat and raw juices or contaminants do not come into contact with cooked meat at any time during the cooking or packaging process.
